	Laura Trentani	F	Thur 10.36			N/A	N/A								Completion of amazing trek from Whitehorse - so proceeded directly to Tuktoyaktuk							

Please note: The times above will NOT appear to be correct. As a result of extreme weather (Blizzards, High Winds, Road Closures, etc), the route for the 6633 Classic had to be adjusted multiple times on the hoof, which resulted in athletes having to reroute to varying degrees as the event progressed. These individual adjustments are reflected in the finish times accordingly.
